Highters Heath Community School

To our lovely Year 6,

We are sad to say that this is your last home learning letter… but that does mean something very exciting – you're all going to be heading to secondary school really soon!!

We want you all to know just how special you are. You all worked so hard over your time at Highters Heath, but especially in the months before school had to close. You should know that we are so proud of the progress you made in your academic studies, but most of all we are proud of YOU! Each and every child has brought something special to our class and to our school: this might be your academic ability; your sporting achievements; your sense of humour; your creativity or your amazing ability to care for those around you.

We are also so proud of the resilience and bravery you've shown throughout lockdown. We know our year together didn't go quite as planned, but you've all got such exciting adventures ahead of you. Please come back and let us all know how you're getting on; your new schools are so lucky to be welcoming such wonderful children next year.

We hope you all have a fantastic summer. Remember to look after your family and friends!

Love,

Miss Gould, Mrs Wright and Mrs Trevis
